**A Guide for Parents**

The **iParent** system is designed to provide an additional option for the sharing of information between Parents, Teachers, Students, and Administrators. It is **NOT** meant to be a replacement or substitute for telephone conversations, parent/teacher meetings, or any other direct interaction with the school system.

**Note: In the following section each possible menu option is explained. Each School in your school district has the ability to show or not show each option. When you access the iParent folder you may not see all of these options.**

---

 [iParent Competency Report](#)

This screen shows your child's standards based or competency based report card. The screen will contain multiple tabs for subject areas that have competencies associated with them and the scores and narratives entered by your child's teachers.

 [Update Guardian Information](#)

This screen shows your current Biographical information that is maintained in iPass. This screen allows you to make changes to your current information such as the following.

**PERSONAL INFORMATION**  
**RESIDENTIAL ADDRESS**  
**MAILING ADDRESS**
